## ABOUT US

- **PRINCE OVERSEAS INDIA** was incorporated in 2011 with the motto of manufacturing high quality leather footwear. A year of research & developments made us able to produce good quality of shoes with trending fashion. Our state-of-the-Art production unit is well planned and equipped with latest Italian machines operated by skilled workers for producing quality shoes.
- **WE** do take care of necessary welfare activities and compliance standards in the field of social, quality and environment aspects as we currently qualify SA 8000, SMETA SEDEX audit and BSCI AUDIT , reports of which are readily available on the Auditor's platform.

## VISION & MISSION

- To provide good Quality shoes at an affordable price, by keeping in minds the comfort that needs to be there and providing new design with it.
- Introduction of a strong shoe line targeted to various market segments to maintain leadership through increased market share.
- Bring inspiration and innovation to every feet. We look forward to keep researching to the best we can so as to improve our products overall.

# THE FOUNDER

- Mr. Puru Arora, a young campaigner in footwear industry basically he is FDDI graduate from Noida. He is founder of Prince Overseas India.
- In 2011 at the age of 21 started a very small unit of 4 to 5 people, but today he overcomes the hurdles and became an entrepreneur having staff of more than 200 people.
- Now, he is well known in footwear industry who is self made man with his hard-work and dedication to bring something fashionable in footwear global market

## OUR TEAM

- The management is led to commitment and no compromise with ongoing education of all operatives
- The factory managers carry out an assessment of the potential risks of metal contamination presented by the nature of there production and the specific styles produced.
- We ensure that our employees have a healthy and hygiene environment at there workplace.
- Follow the Rules & Regulations Led by the Company
